## PROSPECTUS.

THE RECORD will be published weekly, and all Races added as they are run off, thus giving a complete record of each horse at end of the week, which will make it invaluable to those who desire to keep themselves thoroughly posted about horses.

No. 92 W. BALTIMORE STREET,  
BALTIMORE, MD.

# ALPHABETICAL RUNNING RECORD.

NOTE.—This Record is arranged Alphabetically according to the ages of the Horses. The two-year-olds are placed first under their respective letters, then follow the three-year-olds, and so on. Where ages are not reported the horses are placed last. An \* in front of the track denotes that it was heavy. Other signs find explanation at bottom of each horse's record.
